

January 5th, 2023

Dear Parents/Guardians,

Grissom Choir has partnered with a MN based craft coffee roaster, Driven Coffee, for a fundraiser to benefit student's individual My Music Office Accounts. Our fundraiser will be running from January 8th to January 26th.

Students who wish to participate will be given an order form to collect orders and payment. If writing checks, please make sure they are addressed to "GCPA", not Driven Coffee. Please be sure to turn in all payment by January 23rd so we can submit our order. Students will receive 40% profit from these orders, and items will be shipped to us for students to deliver.

For non-local/social media supporters, we are running a virtual fundraiser, with all orders being shipped directly to the purchaser. To order, they may visit our group specific link [HERE!](#) Grissom Choir will receive 40% of these sales.

Remember, your goal is to raise funds for your My Music Office Account (Basic Support Fee, Uniform Fee, All-City, All-State, etc.) and the fundraiser will end on January 23rd. I strongly recommend spreading the word to friends and family to help!

If you have any questions, please feel free to reach out to me at tucker.ratcliff@hsv-k12.org.

With gratitude,

Tucker Ratcliff
